Washington State Bar Association
Sections – 2012/2013

Law Student – Section Subscriber Form

WSBA sections provide a forum to pursue interests in specialized areas of the law. Among other things, sections support the continuing legal education of lawyers, cooperate in the development of the WSBA's legislative program, organize and inform section members and subscribers of current issues and events in their areas of interest, and foster collegiality.

Subscriber Membership for Law Students – Law students may join any section as a "subscriber" member:

- Annual membership year – October 1 through September 30.
- Annual membership fee for law students – **$17.75 per section**; dues are not prorated.
- Any memberships purchased through August 31st will be for the current year only. Memberships purchased in September will be for the following year.
- Subscribers are ineligible to vote in section business matters and elections.
- For further information about the WSBA sections, please visit *www.wsba.org.*
