

# WASHINGTON STATE BAR ASSOCIATION

Board of Governors

Sunitha Anjilvel, Acting President

April 22, 2024

Dear WSBA Volunteers,

The state bar's volunteer corps—more than 1,000 strong—is the pillar of the regulatory and professional services that the WSBA provides to its members and the public. Volunteers like you get the real, practical work done, addressing challenges and providing support to entities like the Board of Bar Examiners, Council on Public Defense, Limited Practice Board, Small Town and Rural Committee, WSBA's 29 Sections, and many, many more.

These volunteer appointments are not easy lifts—they require the time and attention necessary to wrestle with some of the legal profession's thorniest and most critical issues. That's because our state-bar mission is broad, urging us to aim for no less than championing justice and upholding the integrity of the legal system. We rely on you and our other dedicated volunteers as thought-partners, expert practitioners, and the boots-on-the-ground, roll-up-your-sleeves "doers" needed to keep the WSBA moving forward. We simply could not—and would not—be able to do it without you!

On behalf of myself and the WSBA Board of Governors—to you and each and every one of our WSBA volunteers, we convey our sincere gratitude for your outstanding and extraordinary commitment to this profession, the WSBA members, and the public we serve.

Thank you for your participation and for showing up with ideas and energy for the WSBA's many meaningful pursuits. We honor and recognize the donation of your precious resources of time and talent.

With my deepest respect and appreciation,

  
Sunitha Anjilvel  
Acting President  
Washington State Bar Association
