## RIBBONS

Ribbons (see separate document) and badges help to improve user identification, community building, and participation. Ribbons are intended as identifiers, and are added to a User Profile by a Super Admin. If a User would like a Ribbon added or removed, please contact your staff liaison.

	Assigned to the current WSBA Immediate Past President.
	Assigned to the current WSBA President.
	Assigned to the current WSBA President-elect.
	Assigned to any WSBA Staff member.
