ⁱ Includes Active, Emeritus, Honorary, Inactive and Judicial members.

ⁱⁱ Includes section executive committee members; and members of WSBA committees, regulatory boards, Supreme Court boards, panels, and task forces.

ⁱⁱⁱ Reflects number of participants in WSBA Public Service programs: (1) Home Foreclosure Legal Aid Project (FY2009-FY2013: helped low to moderate income homeowners save their homes from foreclosure; this work was transferred to the Northwest Justice Project in 2013); (2) Moderate Means Program (FY2011-present: helps clients in the 200-400% of Federal Poverty level with family, consumer, and housing problems; and (3) Call to Duty Initiative (FY2016-present: informs and involves volunteer attorneys in meeting the legal needs of veterans and their families).

^{iv} An MCLE Form 1 is an application for approval of MCLE credits (filed by sponsors and members). This figure does not include ~2,000 forms per year that are returned or reprocessed because incomplete or incorrect.

^v Years 2004-2012 include oral contacts only, not e-mail communications. Year 2013 includes oral contacts and e-mail communications. Starting in calendar year 2015, this figure includes all Spanish language contacts with Consumer Affairs.

^{viii} In 2019 the name of this dashboard statistic was changed from "Random Examinations" to "Random Examination Selections" to better reflect that this statistic captures the number of lawyers selected for random examination rather than the number of lawyers who may be subject to a full examination.

^{vii} Asterisk indicates prorated payout of authorized awards.

^{viii} The Washington Supreme Court suspended this Board from November 2014 through July 2015. The Board was reconstituted and resumed operation in FY16.

^{ix} The Court suspended the Board on November 11, 2014 and reconstituted the Board on July 8, 2015. The reconstituted Board reviewed cases that were put on hold during the suspension.

^x First figure represents number of Cease & Desist letters issued without referral to prosecutor or ODC; second represents number of letters issued and referred to prosecutor; third represents number of letters issued and referred to ODC. The Court reconstituted the Board on July 8, 2015 and the reconstituted Board only dismisses or refers cases.

^{xi} This figure represents referrals only. The Board does not issue cease and desist letters.

^{xiii} This figure excludes diversity-focused Legal Lunchbox programming, which in FY18 reached an additional 4,077 participants. Presentations grew significantly in FY18 as we increased our focus on providing on-site education and consultation to legal employers.

^{xiv} The WSBA mentorship program was introduced in FY15, and ongoing events (Mentorship Mixers) were launched in FY17. The data captures the number of mixers and the number of attendees. Note that the attendance data for FY18 is for only 5 of the 8 events held that year.

^{xv} This figure represents total participation in new member programming, including Open Sections Night, the Young Lawyer Liaison to Sections Program, and the development teams for new member education.

^{xvi} Until FY13, WSBA tracked total Service Center contacts; beginning in FY13, data was tracked by type of contact (calls and email). Incomplete data in FY05 and FY09 years marked with *; full year was calculated using average monthly data.

^{xvii} Four months of Service Center FY19 tracking data were unaccounted for due to technical errors; the numbers here are an approximation.

^{xviii} FY18 analytics measurement data unavailable due to technical difficulties following launch of redesigned website. Those issues have been resolved, and FY19 data is being tracked.

^{xix} Includes assistance by consultation, phone inquiry, and email inquiry.

^{xx} WSBA moved away from paid one-on-one consultations as part of the plan to expand accessibility of Practice Management Assistance (PMA) services to more members. In addition to greater outreach through webcast programming, WSBA offers free phone consultations for up to 30 minutes.

^{xx} First figure represents number of members checking books out or placing holds (double-counts members that utilized the library more than once). Second figure represents the number of books lent out.

^{xxi} First figure represents number of presentations; second represents attendees at Practice Management Assistance (PMA) presentations *excluding* Legal Lunchbox seminars presented by the PMA team; third represents total attendees at PMA presentations, *including* Legal Lunchbox seminars presented by PMA.

^{xxii} WSBA has a dynamic practice assistance network through which members may receive discounts on law practice tools. The data reflects the aggregate number of subscriptions to all of the tools offered in a given year since FY13. Offerings change over time, and include or have included: automated docketing systems; legal forms; ABA retirement funds; daily Washington case reports; writing software; ABA books for Bars; electronic time billing, file sharing, client conflict checking and client billing software; and receptionist services. In FY18 the reporting changed to reflect revenue-share payments received from vendors of the Practice Management Discount Network.

^{xxiii} First figure represents clients provided counseling; second figure represents number of sessions provided.

^{xxiv} Figure reflects the average number of active users each quarter of that year.

^{xxiv} Fastcase was launched in Q2 of FY2019. Figure for FY19 is member usage from January 2019 to September 2019.

^{xxv} First figure represents unduplicated member registrants for in-person attendance; second figure represents total registrants for in-person attendance (including non-members).

^{xxvi} First figure represents unduplicated member registrants for webcast attendance; second figure represents total webcast registrants (including non-members).

^{xxvii} Includes unduplicated / total attendees at 10 live webcasts for credit and 2 months of on demand seminars. Credits provided through the series are adequate to meet minimum MCLE requirements.

^{xxviii} Webcast participation increased in FY15 due to two seven-part series (Beverage Law and Advising Startups) offered only via webcast.

^{xxix} Includes Referendum layoffs.

^{xxx} WSBA reserves – net assets – are identified by fund, and are either Board-designated or legally restricted. There are three Board-designated funds: (1) General Fund reserves, funded by WSBA annual operating income, and designated to cover unanticipated losses in the event of an emergency, support future facility needs, and cover net loss and extraordinary costs of WSBA functions, services, and operations; (2) CLE Fund reserves, funded by income from CLE seminars and products, and designated to cover net loss and extraordinary costs of CLE activities; and (3) Sections Fund reserves, consisting of the collective net income or loss of all WSBA sections, and designated to cover net loss and extraordinary costs of section activities. The Client Protection Fund is a legally restricted fund, created by the Washington Supreme Court and WSBA to compensate victims of the dishonest taking of, or failure to account for, client funds or property by a lawyer.

^{xxix} Please note that in 2019 the name of this dashboard statistic was changed from “Random Examinations” to “Random Examination Selections” to better reflect that this statistic captures the number of lawyers selected for random examination rather than the number of lawyers who may be subject to a full examination.
