

WASHINGTON STATE BAR FOUNDATION

FY23 ANNUAL REPORT

October 1, 2022 – September 30, 2023

A Message from our President

Dear Friends,

As I look back on 2023, I am encouraged by the support that the Foundation has received. Thank you for your vote of confidence in the work we are helping to fund.

Because of your generosity, the Foundation was able to continue providing funds for the Washington State Bar Association's **Moderate Means Program**. This important program provides access to civil legal assistance for moderate income clients through legal professionals who work for reduced rates. The Foundation was also able to continue providing funds for the Washington State Bar Association's **Powerful Communities** project. Now entering its sixth year, Powerful Communities makes grants to legal aid and community organizations that provide services to historically underrepresented populations in their communities. As of last year, almost 60 grants have been distributed to organizations in more than 20 Washington counties. Finally, your donations help fund the WSBA's **Diversity, Equity & Inclusion** efforts, working to help ensure that the profession represents the communities that it serves.

I also want to thank those who gave their time and expertise to lead us through our legal and societal challenges. The contributions of those who carry out the programs - many of whom are volunteers - is immeasurable. It truly does take a village.

Thank you again for your generosity, which is making a difference for countless people throughout our state.

Tracy S. Flood, Esq.
President

Your donations support the important **Public Service & Pro Bono, Diversity, Equity & Inclusion, and Access to Justice** work of the Washington State Bar Association. Thank you!

In 2023, we were honored to co-present with WSBA the **Sally P. Savage Leadership in Philanthropy Award** posthumously to **Bill Hyslop**, a fierce advocate for those without a voice in the legal system. He was a dedicated public servant, mentor and friend. He had served as President of the WSBA as well as the WSBF.

With its Powerful Communities grant, **Cowlitz Wahkiakum Legal Aid** coordinated legal presentations in English and Spanish, with the help of community members, staff and local attorneys. Topics covered included Family Law & Child Support, Landlord & Tenant Law, Bankruptcy, and Your Record/Your Rights. This project enabled them to reach an underserved community in new ways, and engage folks with this local legal aid agency.

MODERATE MEANS PROGRAM

The Foundation is proud to support this important WSBA program, which matches moderate income clients with legal professionals who work for reduced fees. Intake is performed by students from Gonzaga University, The University of Washington, and Seattle University law schools, providing them with invaluable real-world experience with clients. Celebrating twelve years in 2023, the Moderate Means Program has matched thousands of clients with legal professionals, helping ensure that everyone has access to the legal help they need.

Richland Reception

The Foundation hosted a reception in Richland in August for the Board of Governors and members of the Tri-Cities community. It was a great opportunity to learn about the work being done there, including by the Kinship Navigator Program of Catholic Charities serving Central Washington, a previous recipient of a Powerful Communities grant!
