

# CHELAN-DOUGLAS COUNTY BAR ASSOCIATION DECEMBER 3, 2008 NEWSLETTER

## Announcements

### Bar Lunches in 2008 – 2009

The December CLE will be December 17, 2008, at the Wenatchee Country Club at noon. Charles Steinberg has volunteered to speak on Religious Discrimination in the Work Place.

### Christmas Bar Party

**The Christmas Party will be December 11, 2008, starting around 6 p.m. at McDee's.** I have heard that some attorneys do not like the McDee's setting because of the plate glass windows that face Chelan Street. **We will cover the windows that face Chelan Street, so no one walking or driving by will be able to see into the Atrium.**

### VAS Bar Survey

You should have received a bar survey some time ago from John Brett. The purpose of the survey was to better assist VAS in getting all members of the bar involved in assisting low income clients in need of services and to match up an attorney's area of expertise with individuals with need of such expertise for the clinics. In addition, the survey will be used to see if some of you have an interest in serving the needs of clients in a way other than giving advice at a clinic or accepting full representation of a client.

VAS appreciates everything that you do for VAS. The survey was not to let VAS use you even more than the time the majority of you already volunteer. So, those of you who haven't returned the survey, would you please return the survey to VAS. The survey will help VAS, especially given the recent resignation of John Brett and hiring of Mary Jordan.

## 23<sup>RD</sup> ANNUAL GOLDMARK AWARD LUNCHEON

SEATTLE – The Legal Foundation of Washington will present the 2009 Charles A. Goldmark Distinguished Service Award to recognize Bradley C. Diggs and Washington Appleseed at the 23<sup>rd</sup> Annual Goldmark Award Luncheon.

The luncheon will be held Friday, February 13, 2009 at the Sheraton Seattle Hotel on 6<sup>th</sup> Avenue between 12:00pm and 1:30pm. [Register online at WWW.LEGALFOUNDATION.ORG.](http://WWW.LEGALFOUNDATION.ORG)

Mr. Diggs' leadership spearheading *pro bono* projects designed to aid low-income Washingtonians was critical to the development and success of Washington Appleseed in our region. The creative, innovative work being done on behalf of the poor by Washington Appleseed and its volunteers exemplifies the commitment the Goldmark Award honors. This recognition allows the Foundation to simultaneously pay tribute to lawyers who perform public service to provide meaningful access to our civil justice system to low-income people in different ways.

The Goldmark Award honors the memory of Charles A. Goldmark, a Seattle attorney, community leader and ardent supporter of access to justice. Mr. Goldmark served as the Legal Foundation's president at the time of the tragic assault that led to his death in 1986.

*The Legal Foundation of Washington is dedicated to equal justice for low-income persons. The Foundation funds programs and supports policies and initiatives which enable the poor and the most vulnerable to overcome barriers in the civil justice system.*

*The Legal Foundation of Washington is a 501(c)(3) organization.*
