

WASHINGTON STATE BAR ASSOCIATION

Board of Governors 7 South Congressional District Governor Position Candidate Profile

AARON WEISMAN

WSBA #: 56724

I moved to Washington State ten years ago when I was stationed on the USS Jimmy Carter. I currently live in Seattle, Washington where I enjoy spending time with friends and family. In my free time I like to explore Seattle, ski, and skateboard.

What is your understanding of the role of the WSBA Board of Governors and how do you intend to fulfill the roles and its obligations?

The Board of Governors is responsible for overseeing policies to safeguard the public and the legal profession. If elected, it would be my obligation to maintain both a questioning attitude and a commitment to integrity. My experience serving the United States in the Navy and the State of Washington as a deputy prosecutor has taught me that there is no substitute for subject matter expertise and a continuous focus on improvement. I am committed to creating a better future for Washington and always keeping an open mind.

Please share an example of how you've demonstrated your understanding and support of the WSBA mission to protect the public and the members of the Washington State Bar Association, to ensure the integrity of the legal profession and to champion justice?

I graduated law school during the largest public health crisis in over a hundred years. Despite the dangers of the COVID-19 pandemic, I worked with Pierce County Court staff and administration to create safe and effective procedures for the administration of justice. I prosecuted the first jury trial in Washington State under strict pandemic restrictions. As a private attorney, I have continued my commitment to service by providing my time pro bono to members of the veteran entrepreneurship organization Bunker Labs.
