Re: Reference for Kari Petrsek

I have known Kari Petrsek for eight years. We first met serving on the Washington Women Lawyers State Board, and we are both Fellows of the American Bar Foundation Fellows. I have never interacted with her in the courtroom or on a legal matter, but I have seen firsthand her keen organization and attention to detail as the Treasurer of WWL and when organizing events for the Fellows. In WWL, I observed her as an active Board member, posing good questions and sharing good insights. She regularly volunteered for additional responsibilities and was always professional and collaborated well with others.

Since joining the Board of Governors, I have had the opportunity to interact with her as the District 2 Governor. When I have sought information about issues before the Board, she has been open, communicative, and responsive.

Kari has often spoken of how much she enjoys serving the public and the legal community.

Sincerely,
