Functions:

Fundraising to support WSBA's diversity & inclusion, public service, and access to justice efforts with non-license-fee revenue

Committees, Board, Panels:

The **Washington State Bar Foundation** is a separately incorporated public charity that operates as the fundraising arm of the Washington State Bar Association

When will you hear from the Foundation at BOG meetings?

- Requests to appoint the Foundation's Board of Trustees and to approve changes to the Foundation's bylaws
- Annual report on the Foundation's overall progress
- Treasurer's report on the Foundation's finances

What is the BOG's role in ensuring success of this work?

- Every member of the Board of Governors is a member of the Foundation and is encouraged to make a personally meaningful annual gift of support to the Foundation and/or act as an ambassador for the Foundation and the work it supports
- Helps WSBA members understand that the Foundation provides them a channel for voluntarily supporting WSBA's diversity & inclusion, public service, and access to justice efforts
