5. License Fee and Assessment Exemptions Due to Hardship

In case of proven extreme financial hardship, which must entail a current annual household income equal to or less than 200% of the federal poverty level as determined based on the member's household income for the calendar year immediately preceding the calendar year for which the member is seeking to be exempted from license fees, the Executive Director may grant an exemption from payment of annual license fees and assessments by any Active member. Hardship exemptions are for one licensing period only, and a request must be submitted on or before February 1st of the year for which the exemption is requested. Denial of an exemption request is not appealable. A member may be granted a hardship exemption a maximum of two times, on the basis of separate exemption requests, and the exemptions may be granted for consecutive or non-consecutive calendar years.
