

Animal Law Section
Executive Committee Meeting Agenda

May 26, Noon

- **Elections**- Need to confirm that Adam, Owen, Jason are intending to run in this next election. The section appointed you to your current positions, but you are on the ballot for the coming election.
- **CLE- 10/11/2023**- I have speakers for most things but I still need a speaker for Animal Abuses cases for Domestic Animals (Dogs/Cats) and Farmed Animals. Please let me know if you have any suggestions. If not, we will need to brainstorm other topics and fill in speakers.
