

**WSBA Cannabis Law Section  
Executive Committee Meeting Agenda  
November 2, 2021**

1. Welcome
  - a. Call to order
  - b. Welcome to all present/roll call
2. Approval of prior meeting minutes
3. Industry Updates (10 minutes)
  - a. Nevada quietly bans Delta-8 THC
    - i. Approximately 18 states have banned Delta-8
    - ii. Some seeking to regulate (e.g., Louisiana)
  - b. FDA – Cannabis Derived Products Data Acceleration Plan(CDP PDA)
    - i. The agency believes the Cannabis Derived Product market continues to outpace the growth in the science and understanding of the public health implications of these products.
    - ii. The CDP DAP (or DAP) is a portfolio of pilot initiatives and partnerships focused on advancing data-driven safety signal detection and building advanced technology capabilities. The DAP’s primary goal is to leverage novel data sources and advanced data analytics to identify current and emerging safety vulnerabilities in the CDP market. The DAP is also focused on forging government data partnerships and championing scientific research to evaluate safety and consumer vulnerabilities.
  - c. WA Social Equity in Cannabis Task Force – Adopted an algorithm for determining disproportionately impacted areas (DIAs)
    - i. Based on formula developed in Massachusetts and will be developed in coordination with the Washington Tracking Network. The formula will rank census tracts in WA by those who have been most impacted by cannabis criminalization.
    - ii. Top 20% of census tracts in the state identified by the formula will be declared DIAs.
    - iii. The Task Force also presented a proposed scoring rubric for applications, but postponed a vote on the rubric for another session.
