

Construction Law Section

Construction Law Section's Fall Forum at the Space Needle - Renovating Seattle's Iconic Structure

Wednesday, November 6, 2019

Space Needle
400 Broad Street
Seattle, WA 98109

5:00 - 6:00 p.m. Pre-Seminar Social

6:00 - 7:00 p.m. Seminar

Participants will get the Space Needle experience while learning first-hand about the cutting-edge design and construction techniques that went into renovating Seattle's most iconic structure, readying it for the next 50 years of its life. Non-Section members are encouraged to attend. The price of the event includes a ticket to the newly renovated space!

The Space Needle recent dramatic renovations added 176 tons of glass to the 57-year-old structure. The architectural designer from Olson Kundig and engineer from Arup will talk about the logistical challenges they tackled as part of this dramatic refresh.

Price of \$35 for members (\$55 for guests) includes ticket to the newly-renovated Atmos.

Parking may be limited at the Space Needle so you may want to consider taking the Monorail!

SPEAKERS

Blair Payton - Olson Kundig, Seattle

Cress Wakefield - Arup, Seattle

Hors d'oeuvres and refreshments sponsored by FTI Consulting.
