Re: Elder Law Section Executive Committee  
Carla Calogero Statement of Interest – At-Large Member 2026-2027 Term

Elder Law Section Members:

I have had the privilege and pleasure to serve on the Elder Law Section Executive Committee in a variety of roles, including my current role as CLE Co-Chair. We have produced great CLEs during my 2024-2026 two-year term. It has been a lot of fun!

As I rotate out of my two-year term as CLE Co-Chair, I wish to move into one of the four At-Large Member positions on the 2026-2027 Executive Committee. I have broad knowledge and experience in Section leadership and in working with the WSBA on behalf of our Section membership and Executive Committee that I will bring to the At-Large position.

It would be an honor to continue my service to the Elder Law Section membership and Executive Committee for the 2026-2027 term.

I am a Member Attorney at Reed Longyear Corwin Burnett & Calogero, PLLC in Seattle. My practice is limited to the representation of lay and professional fiduciaries, persons involved in guardianships/conservatorship, probates, trusts (including settlement and special needs trusts), and advance care and estate planning. I have a Masters Degree in Bioethics which informs my work with clients in their advance care and end of life planning. Since I became an attorney in 2010 (after a high school teaching career), I have been committed to service to the WSBA Elder Law Section membership and educating other communities about the important work that we do as Elder Law attorneys.

Thank you for your consideration.

REED LONGYEAR CORWIN  
BURNETT & CALOGERO, PLLC

Carla Calogero
