

CTW Law Firm

Suzanne Thompson Wininger, Attorney

Licensed to practice in the State of Washington and the United States Supreme Court

---

Please consider me for the WSBA Elder Law Section chair-elect position for 2024-2025. I am currently serving as communications co-chair and would like to continue my commitment to our section. Since October 1, 2016, I have served our section as a member, CLE co-chair and communications co-chair. I have been an attorney since 2002 and in private elder law practice since September 2008. I serve King, Kitsap, Pierce and Thurston counties.

I believe it can take a few years for a section member to understand our purpose and the parameters in which we can function. There are many facets to the work our section carries out- legislative, educational, mentoring and philanthropy and the knowledge in which we carry out action is vast.

I understand the commitment serving as chair-elect entails and I welcome the challenge. I believe I have the requisite experience to lead our members and would like the opportunity to do so.

Thank you for your consideration.

Warmly-
