**Elder Law Section Executive Committee Statement of Interest.**

I am currently a Principal and In House Counsel for Ohana Fiduciary Corporation, a Washington Chartered Trust company. Prior to that I was a partner at the Law Firm of Aiken, St. Louis & Siljeg, PS. I have been a licensed attorney in Washington for approximately 36 years.

My legal career has always focused on Elder Law, including Guardianship/Conservatorships, Trusts, Estates and Probate both as an attorney in private practice and as a Principal for one of the largest Professional Fiduciary Companies in the Pacific Northwest. I was a former chair of the King County Bar Association Mandatory Inter-County Title 11.88 Guardian ad Litem Training and Certification Program and served as a court appointed Guardian ad Litem under Title 11 RCW for over 17 years.

I regularly present on Elder Law matters to members of the Washington State Bar Association and serve as a guest speaker for the University of Washington Guardianship Certification Training Program. I am currently serving on the forms committee drafting new state forms to conform to the new Uniform Guardianship, Conservators, and Other Protective Arrangements Act, RCW 11.130 (UGA) and also the current Secretary of the WSBA Elder Law Section, where I have served on the Executive Committee in various capacities for over 12 years.

I believe I bring substantial historical knowledge regarding the Elder Law Practice in Washington and the operations of the Elder Law Section in support of the practice of Elder Law.
