Elder Law Section  
WSBA

I am interested in the Elder Law Section Executive Committee position of Chair-Elect for the 2022-2023 year as I would like to expand my involvement in section leadership.

My practice has been almost exclusively in the area of Elder Law for about the past 15 years. I joined the Elder Law Section years ago to help me to learn and deepen my knowledge of the practice of Elder Law. My section membership continues to provide that benefit and am always learning. I was asked to serve on the Elder Law Section Executive Committee and have done so since 2015, primarily as a grants co-chair, helping to facilitate the Peter Greenfield Scholarship and elder law internship sponsored by the section.

In 2019 I became Certified as an Elder Law Attorney by the National Elder Law Foundation. While the Supreme Court of Washington does not recognize certification of specialties in the practice of law and certification is not required to practice law in the State of Washington, I was able to use the rigorous certification process to deepen my understanding of elder law and to sharpen my skills in areas of elder law that I previously had not much experience.

I am interested in continuing my involvement with the Elder Law Section to help others to engage in elder law or to further develop their elder law practice. A more active role in section leadership through Chair-Elect and eventually Chair will enable me to encourage others to enter the field of elder law and to help those already here expand their knowledge as I continue to grow and learn myself.

Yours truly,
