

Chadwick Proctor

I am interested in continuing to serve on the WSBA RPPT section executive committee. It has been an honor and pleasure to serve on this committee since 2024. Over the past 2 years I have worked with other committee members to provide continuing education programs for the probate and trust members of the section, and I wish to continue to provide this fundamental service to the section for the next two years. There have been substantial legislative changes at both the federal and state level and continuing education programs are so vital to disseminate this information. Additionally, I will continue to work with the section leadership to provide timely legislative updates and activities for engagement to all section members!
