WSBA Tax Section's Diversity, Equity, and Inclusion Committee Statement

The mission of the Diversity, Equity, and Inclusion Committee of the WSBA Taxation Section is to amplify voices, increase participation, and create opportunities for historically underrepresented groups in the field of tax law. Diverse representation allows for lived experiences to inform what is equitable for all taxpayers including but not limited to race, ethnicity, culture, national origin, religion, gender identity, sexual orientation, age, ability, veteran status, socio-economic status, and housing, family, and marital status. The Tax Section's DEI Committee encourages inclusive discussions and equal contributions in the Tax Section by attorneys and law students with diverse backgrounds and perspectives.
