

AGENDA

**** Minutes and Reports***

**** FY23 Sections Budget Worksheet Feedback***

Please see budget spreadsheet attached, especially notes in Column J.

**** 9/9 International Law CLE***

The Section has been invited to collaborate with the WSBA MCLE area in producing a CLE "Trends and Topics in: International Law" September 9, 2022. No money involved. More Information:

<https://www.wsba.org/news-events/events-calendar/2022/09/09/cle-seminars/trends-and-topics-in-international-law>

**** Use of Zoom Webinar for mini-CLEs***

Shall the Section use some of its budgeted CLE money to buy a Zoom webinar license

Pricing: <https://zoom.us/pricing/events>

Up to 500 Attendees, \$690/year/license, Unlimited webinar sessions for up to 30 hours each

**** Shall the Section create a Gmail account?***

To create a Zoom account, the Section needs an email address (see <https://zoom.us/signup>)

I do not think that WSBA.org hosts email address for sections (...there would be many complications).

However, I think a Section can own an email address, similar to most other bits of property.

If this makes sense, then I propose the Section create a Gmail address.

Backup email addresses could include a couple of Section officers, and/or perhaps

sections@wsba.org?

I can then get a Zoom webinar license using that email address.

We would want to practice with the webinar license a couple of time.

**** Anything else?***

Anyone can propose a topic!
