**MAY 29, 2025 > 4:00-5:30PM**

Virtual via [Zoom](#)

The purpose of this event is to learn how to build leadership skills and access leadership opportunities in the legal profession and discuss how to improve the quality of legal services by diversifying the legal profession, making it welcome to all. Newer legal professionals interested in learning how to build legal skills and work towards a more diverse and inclusive profession are invited to talk with experienced legal professionals in small group breakouts.
